ING Scholarship

ING Insurance presents promising University of Malaya undergraduates, an opportunity to embark on an exciting journey of learning, in pursuit of big dreams and ambitions.

At ING Insurance, we embrace a performance culture that emphasizes winning and delivering excellence.

Message from Dato’ Dr. Nirmala Menon

_The illiterate of the 21st century will not be those who cannot read and write, but those who cannot learn, unlearn and relearn._

Alvin Toffler

Learning is a lifelong ambition. We never stop learning as lessons are never limited to when we are in school or university or at work. We learn from the everyday situations…we learn from our achievements, our mistakes and our challenges.

Therefore, the opportunity to learn is always there. In today’s fast paced world, the challenge is to keep abreast with the influx of information which we then need to evaluate and decide on what we want to learn, unlearn and relearn.

At ING Insurance, we are eager to offer scholarships and work placement for people who are eager to learn. We offer a challenging yet nurturing, demanding yet rewarding place of work; where your learning and ideas will find fertile ground to grow.

As with our brand promise ‘With You For Life’, we offer young Malaysians studying at University of Malaya the opportunity to realize their fullest potential and to learn without boundaries.

Thank you.
