2012 ING INSURANCE SCHOLARSHIP
ING Insurance presents promising undergraduates, an opportunity to embark on an exciting journey of learning, in pursuit of big dreams and ambitions.

At ING Insurance, we embrace a performance culture that emphasizes winning and delivering excellence.

Learning is a lifelong ambition. We never stop learning as lessons are never limited to when we are in school or university or at work. We learn from the everyday situations…we learn from our achievements, our mistakes and our challenges.

Therefore, the opportunity to learn is always there. In today’s fast paced world, the challenge is to keep abreast with the influx of information which we then need to evaluate and decide on what we want to learn, unlearn and relearn.

At ING Insurance, we are eager to offer scholarships and work placement for people who are eager to learn. We offer a challenging yet nurturing, demanding yet rewarding place of work; where your learning and ideas will find fertile ground to grow.
