

## **Career Opportunities at GARENA MALAYSIA SDN BHD**

Garena is a leading consumer internet service provider in Asia. We provide online and mobile entertainment and communication across Southeast Asia, Taiwan and Hong Kong, serving millions of users. Garena has several popular games launched on Garena+, an online game and social platform, including League of Legends, Heroes of Newerth, Blackshot as well as FIFA Online 3. Garena has also ventured into mobile game and communication with BeeTalk and other mobile games. In line with our expansion in Malaysia, we are seeking energetic, ambitious and result oriented individuals to join our team.
